WHAT IS FMCA?

FMCA is an international organization of RV owners. It is a large, influential and loyal group of enthusiasts. They are passionate about RVing and it shows!

ABOUT THE ASSOCIATION...

FMCA is an organization of RV owners and those with whom they do business. Founded in 1963, the purpose of the Association is to promote ownership and use of RVs for family pleasure. Members are active and involved. They live life to the fullest. Members look to the Association for many services — campgrounds, technical information, product location, etc. The list of services keeps growing to meet the needs of RV enthusiasts.

This loyal group of RVers seeks out companies displaying the FMCA member symbol when they are buying new coaches and accessories or looking for service.

MEMBERS SUPPORT COMMERCIAL MEMBERS
