UPDATED INFORMATION REGARDING THE MANY BENEFITS AND SERVICES AVAILABLE TO MEMBERS OF FMCA.

Read this guide for information about new benefits, updates regarding others, and as an overall refresher about the myriad ways FMCA helps to enhance your RV travels.

WE'VE GOT INFO

STAY INFORMED WITH . . .

Family RVing magazine, available in print and digital editions and a website version. This colorful magazine is packed with RV tips, member profiles, tech articles, travel features, DIY projects, product updates, and much more. Check the classified and display advertisements to learn what's new in the RV marketplace.

Family RVing's digital edition is available to readers about one week before the paper version lands in mailboxes — a great way to get an early peek. Members and subscribers can download a PDF copy of the magazine to read any time, even when no internet connection is available. Archived digital issues beginning with the January 2013 edition are available as well, and the website contains archived magazine content dating back to 2002. So, you can dig around in a virtual library of RV topics anytime, online.

RV education. FMCA enables members to participate in important RV-related education programs. The association may contribute toward the expense of learning opportunities to reduce out-of-pocket costs to members.

FMCA hosts the “**RV Basics**” workshop just prior to FMCA International Conventions. These sessions cover topics such as safe driving, RV weight and tire safety, fire and life safety, and more and are designed for new RV owners and others who would like a refresher. Courses are presented by knowledgeable RVers and allow participants to learn in a more focused environment and then participate in all of the fun and other educational seminars offered during the conventions.

FMCA University provides access to decades of RV know-how all in one convenient location — www.fmca.com/about-fmca-university.

FMCA Forums. What better way to learn than from someone who's been RVing for years? Join in a technical discussion online and gather tips and guidance from fellow members who've been there, done that. Peruse and participate, if you wish, in discussion threads pertaining to RV technical and lifestyle topics, FMCA, travel, and more. See community.fmca.com.

WE'VE GOT CONNECTIONS

It's a big RV community out there, full of friends you have not yet met. Stay in touch with the FMCA national office and with fellow members! One of the most valuable benefits of membership in FMCA is the opportunity for long-lasting friendships. How else could you meet so many diverse people, all of whom share your interest in RVing?

CONNECT WITH . . .

FMCA chapters. The association recognizes approximately 300 chapters across the United States and in Canada. Many of these groups encompass specific or general geographic regions. Meet fellow members in your hometown, state, or province. Other chapters are focused on ownership of a particular brand or model of RV. And still other chapters are based upon some common interest, such as music, amateur radio communication, sports, or coach conversions.

Check the full list of FMCA chapters at www.fmca.com/fmca-chapter-search, where you can search for a chapter according to your location or interest. The list also is published in the January issue of the magazine. You're also welcome to start a new chapter. FMCA's Chapter Services staff at the national office can provide details.

They offer set pricing for acute, chronic, and over-the-counter medications; home delivery service and pharmacy pickup; and exclusive savings on diabetic supplies and medications.

If you travel outside your home country, your domestic insurance may not cover you if you become sick or injured. If you are a U.S. citizen with Medicare, you should know that Medicare may not cover you outside the United States, except in very limited situations.

FMCA partnered with Dempsey & Siders and Chubb to provide an optional **International Travel Insurance** plan that covers you anywhere in the world, as long as you are traveling outside your home country. By purchasing this insurance, you deal with an organization familiar with handling international claim payments and translation services. That way, you can concentrate on getting well.

For a complete list of benefits, a free quote, and more information, visit www.fmca.com/international-travel-insurance.

FMCA PET INSURANCE

If you have a pet, you know how expensive it can be to provide veterinary care for them, whether it is well care or a sick visit. And if your cat or dog does fall ill, it could be heartbreaking to have finances stand in the way of obtaining care for them.

Good news! FMCA members have access to pet insurance options for dogs or cats, brought to you by our partners at **FMCA RV Insurance**.

This insurance is great for travelers, because pets can visit any licensed veterinarian. There are carriers and plans based on your specific needs and budget. Visit www.fmca.com/rv-pet-insurance to read about available plans and obtain an online quote.

RVs, RV lots, RV accessories, and related items can be found in the Classifieds section of the magazine and at FMCA.com. To submit an ad for Classifieds, use the mail-in Classifieds Ad Form that appears in that section of the magazine, or provide the equivalent information. By email, send ads to magazineclassifieds@fmca.com. Before preparing your ad, please read all instructions included in “*Family RVing Classifieds Ad Rates And Procedures*,” located in the magazine. Classified ads must be received in writing; ads are NOT accepted over the telephone.

➔ TAKE YOUR FMCA MEMBERSHIP TO THE NEXT LEVEL BY JOINING A CHAPTER!

Lindsay Prince

The purpose of FMCA is to promote the RV lifestyle and friendships among RV owners.

FMCA chapters give members an opportunity to use their RVs and meet others who also enjoy RV travel. Each chapter has its own “personality,” and many chapters bring RV owners together by geographic location or specific interest (RV brand, hobby, etc.). But the common thread among all FMCA chapters is the emphasis on having fun and sharing experiences.

Chapter rallies may take place on weekends or during the week, at nearby locations or interesting sites farther away. Sometimes they are organized to coincide with a specific event, activity, or attraction. Others are informal occasions for members to enjoy their time together.

THE FOLLOWING PAGES ARE TO ASSIST YOU IN BECOMING ACQUAINTED WITH AN FMCA CHAPTER.

The accompanying map indicates which of FMCA’s nine geographical areas encompasses your state or province

of residence. Immediately following are breakdowns of each of the geographical areas, in addition to the International Area (consisting of chapters formed by some special interest as opposed to geographical boundaries), and the name of the national area vice president for each. (Note: Area representatives represent all FMCA members within a given area, whether affiliated with a chapter or not.) A state-by-state/province-by-province list of chapters is given next. A member who lives in New Jersey, for instance, would check the names of the chapters listed under New Jersey. Next he or she would consult the alphabetical listing of all FMCA chapters that follows. There you will find listed the contact person and, in some cases, the website, for all FMCA chapters. Since International Area chapters are targeted to a special interest rather than a geographical area, these chapters are included in the alphabetical listing only. In some instances, the special interests of these chapters have been designated.

➔ CHAPTER LISTING

This state-by-state and province-by-province listing of chapters is being published as an aid to FMCA members seeking a chapter that includes the members' home state or province in its scope. Individual chapter charters include scopes that are sometimes general in nature, such as "Eastern United States." An individual chapter, therefore, may interpret its scope differently from the designations included in this listing. International Area (non-geography-based) chapters are listed on the prior page.

This information is to be used only for chapter-related inquiries.

This information is accurate as of October 11, 2022.

PLEASE NOTE: The information within this directory is to be used only for chapter-related inquiries. Any other use of this list is expressly prohibited.

➔ STOPPIN' SPOTS

Members listed as “Stoppin’ Spots” participants within the Membership Directory at FMCA.com — <https://www.fmca.com/member-help-search> — have volunteered to aid fellow members in their travels. Four categories of services are included, and results can be narrowed down by selecting certain states or provinces, cities, or zip/postal codes.

STOP OVER SPOT

FMCA members are welcome to stop over at the participating member’s home for a 24-hour emergency stay.

COME VISIT

FMCA members are welcome to visit these members on a friendship basis for a 24-hour period, unless the host member invites them to stay longer. Remember, if these members didn’t want you to stop, they wouldn’t have offered this friendly gesture.

MECHANIC’S HELPER

These FMCA members are available to advise fellow members whose RVs have broken down on the road or need repairs as to where in that area they can obtain good, knowledgeable RV service.

PINCH HIT DRIVER

Members faced with an emergency and in need of someone to return their RV for them should consider this option. Keep in mind that members who live in either the RV’s current location or its destination may

be of help. Also, please remember to defray any costs incurred by the Pinch Hit Driver.

PLEASE NOTE: *The information within this directory is to be used only by FMCA members who are traveling and find that they are in need of one of the services offered. Any other use is expressly prohibited.*

VOLUNTEER YOUR ASSISTANCE

Any FMCA member who would like to be included on the “Stoppin’ Spots” list in one or more categories should indicate this via the My Profile page on the Membership tab at FMCA.com, or contact the Member Services Department at the FMCA national office (8291 Clough Pike, Cincinnati, OH 45244; 513-474-3622 or 800-543-3622; email: membership@fmca.com) and ask to be listed as a “Stoppin’ Spots” participant. Remember to keep your profile information updated.

The individuals listed in the “Stop Over Spot,” “Come Visit,” “Mechanic’s Helper,” and “Pinch Hit Driver” compilation have asked that they be included, and any services offered by them are provided by them as individuals and not from FMCA. Any member or volunteer offering, providing, or accepting the services described above does so at his/her own risk. FMCA makes no representations or warranties whatsoever regarding the services provided or those who may provide or request such services. The association cannot attest to the reliability of any such service and accepts no responsibility.

➔ MOTORISTS' RESOURCE LIST

Information for all motorists, including RV owners.

The phone numbers and websites below, organized by U.S. state and Canadian province, can be used to obtain information about license and vehicle registration requirements, road conditions, traffic updates, and more. Note that the availability of information varies by state and province.

When searching online for additional information, include the name of the state or province along with keywords such as “division of motor vehicles,” “department of transportation,” “traveler safety,” “road conditions,” “highway patrol,” and “state/provincial police.”

Many states and provinces also employ 511 – a transportation/travel hotline. Travelers can dial 511 on their mobile phones to receive automated information about travel and traffic conditions. (Areas that do not utilize the 511 system often have other travel information hotlines in place.)

Overnight Parking Etiquette

RVERS GOOD NEIGHBOR POLICY

Dear Fellow RVers,

The Good Neighbor Policy was created in the early 90s by Escapees RV Club. Since then, it has become the industry standard code of conduct for overnight parking. We hope that the Good Neighbor Policy serves as a reminder that RVers must be respectful of the communities they visit.

Some of the most respected RV consumer clubs have joined Escapees to support your privilege to park on private businesses' property overnight under the following code of conduct:

Industry-sanctioned Code of Conduct (RVers Good Neighbor Policy)

1. Stay one night only!
2. Obtain permission from a qualified individual.
3. Obey posted regulations.
4. No awnings, chairs or barbecue grills.
5. Do not use hydraulic jacks on soft surfaces (including asphalt).
6. Always leave an area cleaner than you found it.
7. Purchase gas, food or supplies as a form of thank you, when feasible.
8. Be safe! Always be aware of your surroundings and leave if you feel unsafe.

If your plans include touring the area, staying for more than one night, or necessitate conduct not within the code, please relocate to a local campground. It's the right thing to do!

Most of the complaints lodged regarding RV parking on business parking lots have to do with aesthetics and perceived abuse of the privilege. There are a variety of competing interests that were balanced to arrive at this industry-sanctioned code of conduct. As you can see, the code of conduct is nothing more than an RVers "Good Neighbor" policy.

Not following the code has serious consequences and is detrimental to the rights of all RVers. Already, some municipalities have passed ordinances to prohibit parking on private business property overnight.

Please do not take offense to this letter; it is only provided as a reminder that RVers must be perceived as good neighbors or there will be more pressure to institute state, county and local ordinances to prohibit parking on private business property.

We wish you safe and happy travels,

ESCAPEES RV Club®
